1. Scope

This policy applies to all support staff employed in schools and academies who are pregnant.

Within this policy, references to the school, Headteacher, Governing Board and the Chair of Governors will, for Academies and Academy Trusts, be taken to mean a reference to the appropriate equivalent within those establishments.

The recognised trade unions have been consulted.

2. Policy Purpose

This policy sets out Maternity Leave and Pay entitlements and the relevant procedure for employees (support staff) seeking to take maternity leave.

3. Statutory Maternity Leave

All pregnant employees are entitled to take up to 52 weeks' maternity leave regardless of length of service and number of hours worked.

3.1 Ordinary Maternity Leave (OML)

- Employees are entitled to take 26 weeks' OML
- Employees can choose to start maternity leave any time from the 11th week before the expected week of childbirth (EWC)
- If the baby is born earlier than the 11th week before the EWC or before the date notified as the intended start date of maternity leave, then maternity leave will automatically start the day after the birth of the baby
- Maternity leave will also start automatically if the employee is off work for a pregnancy-related illness in the 4 weeks before the EWC irrespective of what has been previously notified or agreed with the employer. Where this is the case, maternity leave will automatically start the day after the first day of sickness absence.

3.2 Additional Maternity Leave (AML)

- In addition to OML, employees are entitled to take 26 weeks' AML
- This will start immediately after OML ends i.e., there cannot be a gap between OML and AML.

3.3 Compulsory Maternity Leave (CML)

- Employees are not allowed to work for the 2 weeks immediately after the birth of their baby. It is compulsory to have that time off.

3.4 Keeping in Touch (KIT) days

- Except during the first 2 weeks of compulsory maternity leave, employees may, by agreement with the school, work for up to 10 days during their maternity leave without losing maternity benefits (KIT days)
- The KIT days do not have to be consecutive and may be used for an activity, which would normally be classed as work under the contract of employment, for which employees would be paid. This can include training events and attending meetings etc.
- Any work and the type of work undertaken during the maternity leave period must be by mutual agreement with the school; there is no obligation on the school to offer work or for the employee to accept it
- Part-days worked will count as whole days and employees will be paid their normal daily rate of pay for days worked offset by any SMP that may be due to them.

The template Forms at **Appendix H and I** can be used to record KIT days and to submit for payment respectively.

3.5 Reasonable contact during maternity leave

The employee's manager is allowed to make reasonable contact with the employee during their maternity leave to discuss such matters as their return to work arrangements. This is also useful in order to keep the employee informed of other matters such as job vacancies, significant developments in the workplace and training opportunities. This does not constitute 'work' and will not therefore count towards the 10 KIT days.

Employees should agree beforehand how they wish to be kept updated.

4. Maternity Pay

4.1 Statutory Maternity Pay (SMP)

4.1.1 *SMP Eligibility:*

To qualify for SMP, employees have to meet conditions based on length of service and level of earnings as below:

- Employees must have at least 26 weeks' continuous service with their employer as at the 15th week before the EWC
- Their earnings must be equal to or above the lower limit for National Insurance Contributions, currently **£120.00*** per week before tax.

4.1.2 *SMP Entitlement:*

SMP will be paid at:

- 90% of employee's average weekly earnings (higher rate) or
- **£151.97*** per week (lower rate) (whichever is lower).

SMP is payable for 39 weeks. For the first 6 weeks it is paid at 90% of the average weekly earnings. The following 33 weeks will be paid at 90% of the average weekly earnings or at **£151.97*** per week (whichever is lower).

SMP is paid by the employer in the same way, time and frequency as the employee's normal salary and is subject to deductions for Income Tax and National Insurance Contributions.

SMP cannot be paid earlier than the 11th week before the EWC except where the baby is born before the start of the 11th week, in which case SMP will be paid from the day after the birth of the baby.

Payment of SMP is not conditional upon the employee returning to work and it is not refundable if the employee decides not to return to work after the end of maternity leave.

***Rates are subject to annual increase.**

4.2 Maternity Allowance (MA)

If the employee does not qualify for SMP, they may be eligible to claim Maternity Allowance (MA) from their local Job Centre Plus Office, provided they satisfy the National Insurance Contribution conditions based on their previous employment or self-employment. Eligibility for MA will be assessed and paid by the local Job Centre Plus Office.

MA payments are made weekly for a maximum period of 39 weeks and are paid out at the same rate as SMP (see paragraph 4.1.2 above).

If the employee has been assessed as not being entitled to SMP, they will be sent a SMP1 Form from the school's payroll provider giving reasons why SMP cannot be paid to them. The SMP1 Form is required for an application for MA.

MA is not refundable if the employee does not return to work after the end of maternity leave.

4.3 Occupational Maternity Pay (OMP):

[Entitlement to OMP set out in this policy is in accordance with the National Joint Council (NJC) for Local Government Services – National Agreement on Pay and Conditions of Service ("Green Book"). Schools opting to pay OMP which is different to these arrangements should set out their local arrangements here]

4.3.1 OMP Eligibility:

To qualify for OMP, the employee must meet conditions based on length of service and level of earnings as below:

- The employee must have not less than 52 weeks' continuous service/locally recognised service as at the 11th week before the EWC and
- The employee must return to work for 13 weeks, or an equivalent extended period if returning on reduced hours, at the end of the maternity leave.

4.3.2 OMP Entitlement:

OMP is paid at equivalent to 50% of the employee's salary for a period of 12 weeks.

Employees can choose to receive this payment as follows:

- Spread over a period of 12 weeks following the first 6 weeks' at SMP or MA (and concurrent with the lower rate SMP)
- Spread over the 33 weeks following the first 6 weeks' at SMP or MA (and concurrent with the lower rate SMP)
- When they return to work at the end of their maternity leave period, when it will be paid to them as one lump sum.

In the event the employee does not return to work for the specified equivalent period after the end of their maternity leave, and OMP has been paid to them during their maternity leave, they will be required to repay the OMP element of the maternity pay including the corresponding National Insurance Contributions.

4.4 Maternity Payments - Summary

Entitlement to maternity pay and the corresponding qualifying criteria is set out below and in the Maternity Leave & Pay Chart at **Appendix A**.

Employees with 52 weeks' continuous service/locally recognised service at the 11th week before the EWC, and who meet the qualifying criteria for SMP as stated above, will receive maternity pay as follows:

- 6 weeks at 90% of salary (offset against payments made by way of SMP)
- 12 weeks at 50% of salary (OMP) plus lower rate SMP
- 21 weeks at lower rate SMP or 90% of salary whichever is the lower amount.

The remaining period of maternity leave i.e. 13 weeks will be on an unpaid basis.

Employees with 52 weeks' continuous service/locally recognised service at the 11th week before the EWC, but who do not meet the qualifying criteria for SMP as stated above, will receive maternity pay as follows:

- 6 weeks at 90% of salary (offset against payments made by way of MA if eligible)
- 12 weeks at 50% of salary (OMP) plus MA if eligible
- There is no entitlement to SMP
- There may be an entitlement to MA.

Employees with less than 52 weeks' continuous service/locally recognised service at the 11th week before the EWC but who meet the qualifying criteria for SMP as stated above, will receive maternity pay as follows:

- 6 weeks at 90% of salary (offset against payments made by way of SMP)
- 33 weeks at lower rate SMP or 90% of salary whichever is the lower amount
- There is no entitlement to OMP.

The remaining period of maternity leave i.e. 13 weeks will be on an unpaid basis.

5. Antenatal Care

Pregnant employees can request time off to attend antenatal care appointments. Antenatal care includes routine doctor/midwife appointments and relaxation/parent craft classes. Time off for appointments will be paid when recommended by a doctor, nurse, or midwife.

Employees wishing to take time off for these appointments should endeavour to give the Headteacher/Line Manager as much notice as possible.

Employees who are expectant fathers and partners of the expectant mother are also entitled to take unpaid time off during working hours to accompany her to antenatal appointments (see Paternity/Partner Leave Policy).

Request for time off can be made using the Antenatal Care Appointment Forms at **Appendix D**.

6. Stillbirths and Early Births

Employees still qualify for maternity leave and pay if their baby:

- i. Is born early
- ii. Is stillborn after the start of the 24th week of pregnancy
- iii. Dies soon after being born.

Schools may wish to consider support for the employee through confidential counselling via their Employee Assistance Programme.

In ii and iii above, the employee may be entitled to Statutory Parental Bereavement Leave or Special Leave.

In the event of miscarriage before or during the 24th week of pregnancy an employee will not be able to claim statutory or contractual maternity benefits.

7. Notification of Pregnancy

It is in the employee's best interest to notify the school of their pregnancy as soon as possible so that the school can carry out a risk assessment to identify any risk to the employee and/or their baby.

Formal written notification of the pregnancy and intention to take maternity leave must be given by the 15th week before the EWC using the Maternity Leave Request Form at **Appendix E**.

If the employee later wishes to change the intended start date, they will need to give at least 28 days' written notice before the amended start date, using the Notification of Change Form at **Appendix F**.

If the employee fails to give the required notifications within the specified time limits, they may lose their right to maternity pay and to start maternity leave on the intended start date.

The Step-by-Step Notification Process and procedure is given at **Appendix C**.

8. Return to Work

8.1 Returning to Work after OML

Employees are entitled to return to the same job on the same terms and conditions of employment as if they had not been absent unless this is not reasonably practicable due to a restructuring/redundancy situation.

8.2 Returning to Work after AML

Employees are entitled to return to the same job on the same terms and conditions of employment as if they had not been absent. However, where a restructuring/redundancy situation has occurred or there is some other reason why it is not reasonably practicable for the employee to return to the same job, they are entitled to return to another job that is both suitable and appropriate for them to do in the circumstances. This must be on terms and conditions that are no less favourable than would have applied had they not been absent.

8.3 Return to Work – Notice Requirements

- If the employee intends to return to work at the end of the full maternity leave period (i.e., after 52 weeks), they will not be required to give any further notification of their return to work
- If the employee wishes to return to work from maternity leave earlier than the date originally agreed, they must give the school at least 21 days' notice of the revised date of return to work. The Notification of Early Return to Work Form at **Appendix J** can be used. Failure to give the appropriate notice may result in the return being delayed
- If the employee does not intend to return after their maternity leave, they are required to give the school notice of resignation in accordance with the terms and conditions of their contract of employment.

NB: Where the employee does not return to work (or returns to work for a period which is less than 13 weeks), any OMP which has been paid to them during their maternity leave, will have to be repaid including the corresponding National Insurance Contributions.

8.4 Flexible Working upon a Return to Work

If the employee wants to request returning to work on a different work pattern prior to their return, they can make a request using the school's Flexible Working Policy.

9. Rights during Maternity Leave

Maternity leave is regarded as continuous service and does not constitute a break in service. All contractual terms and conditions (except for normal remuneration) should continue throughout a period of maternity leave including the accrual of annual leave. During this period, the employee will continue to be bound by the terms of their contract of employment including the implied term of trust and confidence and any terms as to notice of termination by them.

10. Pension - Local Government Pension Scheme (LGPS) Members – Buying ‘lost’ pension

If the employee is a member of the Local Government Pension Scheme (LGPS), any paid part of their maternity leave will count as pensionable service. This means that deductions will be made from all maternity pay they receive from the employer. Any period of unpaid leave under this Policy will not count for pension purposes. Members of the Local Government Pension Scheme can elect to pay Additional Pension Contributions (APCs) to buy back the ‘lost’ pension.

Where unpaid leave has been approved, the Headteacher will inform the employee of the effect of the unpaid leave on their pension and their right to choose to buy ‘lost’ pension. The model letter at **Appendix K** can be used for this purpose. The employee can then apply, if they wish to do so, using the model letter at **Appendix L**.

If the member makes their election to buy the ‘lost’ pension within 30 days of returning to work from the authorised unpaid leave, the cost of buying the ‘lost’ pension is shared between the member and the employer with the member paying 1/3rd of the total cost and the employer paying 2/3rds of the total cost. This is known as a Shared Cost Additional Pension Contract (SCAPC).

11. Responsibilities: Employee and Headteacher/Line Manager

Please see **Appendix B** for specific responsibilities of the employee and those of the Headteacher/Manager.

12. Protection from Detriment or Dismissal

An employee has the right not to be subjected to detrimental treatment or be dismissed because they are exercising their rights under this policy in taking or seeking to take maternity leave.

(The school will also liaise with Schools HR to ensure appropriate salary payments are made for KIT days) • To allow the employee to return to the same job on the same terms and conditions (subject to what is stated in Section 8 of this policy) • To carry out a return to work interview with the employee • (Where the school has an SLA with the Schools HR Co-operative – Contracts Management Service, the school must provide any information related to the employee's maternity leave arrangements promptly to the Schools HR Contracts Management Service so that they can provide the necessary advice and write to the employee confirming maternity leave and pay entitlement within the required timescales).

Step-by-Step Notification Process & Procedure

Step 1 Employee advises manager of pregnancy

As soon as possible once she is aware of her pregnancy.

Although this is left to the employee's discretion, it is in their best interest to do this as soon as possible so that a risk assessment can be undertaken to identify any risk to them and/or their baby.

Step 2 Employee formally requests maternity leave

By the 15th week before Expected Week of Childbirth.

- Employees can use the Maternity Leave Request Form at **Appendix B** and send it to the school.
- Attach the original of the Maternity Certificate MAT B1 if available (if not, this must be forwarded as soon as possible and by the 11th week before EWC at the latest as SMP cannot be paid without this).

Failure to comply with this step could prejudice your entitlement to maternity benefits.

- (Where the school has an SLA with the Schools HR Co-operative – Contracts Management Service, the school will promptly forward the documents to the Contracts Management Service to action).

Step 3 School (or the Schools HR Contracts Management Service if applicable) writes to employee

Within 28 days of receipt of written notification.

School (or the Schools HR Contracts Management Service if applicable) will confirm to the employee in writing their entitlement to maternity pay and leave and their expected date of return.

Step 4 If the employee wishes to change the start date of their maternity leave from a date notified earlier

Minimum 28 days' notice required before start date of revised date.

If the employee wishes to change their maternity leave start date, from a date they have notified earlier, they must notify the school in writing. They can use the form at **Appendix E**.

Step 5 Notification of actual birth date of your baby

As soon as possible after birth.

The employee needs to notify the school in writing of the actual birth date of their baby and send a copy of the birth certificate. **See Appendix F.**

Step 6 Notification of early return from Maternity Leave

21 days' notice prior to the revised return date.

If the employee wishes to return to work earlier than the agreed date, they must notify the school in writing 21 days before the revised return date. Failure to give appropriate notice may result in the return being delayed. **See Appendix J.**

Step 7

Return to Work

On return date.

The employee's manager is required to carry out a return to work interview and a risk assessment with them.

Unpaid Leave

Local Government Pension Scheme Member – Buying ‘lost’ pension

I refer to your notification to take leave under the school’s Maternity Leave & Pay Policy for the period from *(insert date)* to *(insert date)*.

The leave is authorised and will be **unpaid**. Any period of authorised **unpaid** leave of absence will not count for pension purposes. You can however elect to pay Additional Pension Contributions (APCs) to buy back the ‘lost’ pension. If you elect to buy the ‘lost’ pension within 30 days of returning to work from your period of unpaid leave, the school will pay 2/3rds of the total cost of buying the ‘lost’ pension and the remaining 1/3rd of the total cost of buying the ‘lost’ pension will be paid by you by way of a deduction from your salary.

If you are interested in buying the ‘lost’ pension, please complete and sign the form at **Appendix L - Request for Total Lost Pensionable Pay during Period of Unpaid Leave** and return it to *(insert name of designated person)* prior to going on leave or as soon as possible following your return to work from your period of unpaid leave.

The school will provide you with details of the total lost pensionable pay for the period of the unpaid leave on your return to work from your period of unpaid leave, or as soon as possible thereafter. This information will enable you to obtain a quote from the Local Government Pension Scheme website (<https://www.lgpsmember.org/more/apc/lost.php>) showing the total cost of buying the ‘lost’ pension and allow you to apply to buy ‘lost’ pension should you choose to do so.

Request for Total Lost Pensionable Pay during Period of Unpaid Maternity Leave

I have been granted authorised unpaid leave from *(insert date)* to *(insert date)*.

I am aware that this period will not count for pension purposes unless I make an election to pay Additional Pension Contributions to buy back the 'lost' pension.

I am aware that if I elect to buy the 'lost' pension within 30 days of returning to work from the period of the unpaid leave, 2/3rds of the total cost of buying the 'lost' pension will be paid by the school and I will be responsible for paying 1/3rd of the total cost of buying the 'lost' pension.

I am aware that my share of the payment will be deducted from my salary.

I am interested in buying the 'lost' pension and would like to request details of total lost pensionable pay for the period of unpaid leave so that I can obtain a quote for the total cost of buying 'lost' pension.
